

Auto Expel Misting Machine & Sanitising Liquid

Have peace of mind and eliminate germs, viruses and bacteria from your vehicle.

Due to its unique formula Ring Auto Expel sanitises the entire vehicle cabin, including the air-conditioning system.

As well as creating a safe clean environment for you and your family, the mist will freshen your cabin, reducing stubborn odours.

- **Biocidal formula proven to kill Enveloped-Viruses**
Such as Coronavirus and MRSA
- **Suitable for use on all surfaces**
Including leather and cloths
- **Dry mist system**
The mist machine heats up the sanitising liquid and produces a fine dry mist. No wet residue left on the surfaces
- **Easy to use**
Vehicle will be free from bacteria and viruses within 30 minutes. Run the mist machine for just five minutes and allow the dry mist to settle for 25 minutes
- **Can sanitise the vehicles air-conditioning system**
Simply switch on the recycle air to pass the mist through the air-conditioning system for a complete sanitised vehicle
- **Eliminates all foul odours**
- **Leaves a fresh scent in the vehicle**
- **ROHS approved mist machine**

Auto Expel Sanitising Spray

Auto Expel Sanitising Spray is specially formulated to kill germs, viruses and bacteria from all surfaces, including porous and non-porous surfaces. Simply spray the surface with the sanitising liquid and wipe down with a cloth.

Use alongside the Auto Expel Misting machine and liquids on the touch points of your vehicle to ensure the most effective clean.

- **Biocidal formula proven to kill Enveloped-Viruses**
Such as Coronavirus and MRSA
- **Suitable for use on porous and non-porous surfaces**
Use on cloths, leathers, plastics and more
- **Easy and quick clean**
Simply spray and wipe the surface clean
- **Fresh scent**
- **Use on touch points**
Touch points are the most frequently touched surfaces. For example, in a vehicle these would be the door handles, gear stick, and steering wheel
- **Combine with the Auto Expel Misting Machine and Liquids**
To ensure the most effective clean inside a vehicle
